Matte Black

Subtle yet elegant, our signature Matte Black finish pushes the boundaries of luxury tapware. Exuding sleek structure and elegance, the finish subtly accentuates natural textures like marble and timber.

Tiger Bronze

A nuanced finish created from a brushed black undercoating adorned in gold, providing a glorious midas touch. Harness the power of precious metal motifs to highlight both modern pastel palettes and more classic colour schemes.

Champagne

Set the benchmark for stylish living with a finish that exudes a sense of fluidity and versatility. The effervescence of rose-gold brings a new luxury to brass and the result is brilliant. Pair Champagne with pale timber, earthy tiling and an abundance of natural light for maximum impact.

Brushed Nickel

This chameleon finish is exceptional in a range of interior settings and palettes, offering striking aesthetics in every instance. Whether your space is commercial or closer to home, our PVD Brushed Nickel range is crafted using premium materials and the utmost care. Scheme with oak and earthy palettes for the greatest appeal.

Shadow

New to our range, the bespoke finish embodies individuality ensuring Shadow is as unique as you. The finish has been crafted with depth that perfectly pairs with stone, timber, natural elements, and concrete. Combining a striking blend of charcoal grey and rustic blue, Shadow produces a sophisticated look unlike anything else. Shadow adds an intensity while remaining familiar, making it incredibly versatile.

Polished Chrome

An essential selection in both modern and classic homes. This finish delivers form and function, serving understated style through contemporary design. Its versatility, practicality and personality sees this finish thriving for decades to come.

THE LAVELLO DIFFERENCE

We pride ourselves on quality; and like all genuine Meir products, Lavello kitchen sinks are Australian designed, and hand made to precision. Our 1.5mm thick stainless-steel kitchen sinks set us apart from the competition. As the global leaders, we're so confident of the craftsmanship of our kitchen sinks, we include a minimum 15-year warranty. Browse our premium, architectural kitchen sinks now, and find a matching kitchen mixer to complete your luxury kitchen.

MARKET LEADING
PERFORMANCE

World leading nano coat technology is 4x more durable than PVD. Making Lavello the best performing sink on the market.

UNIQUE FINISH

Lab applied nano coat technology provides character and colour dimension for a diamond inspired finish that's unique to Meir.

NOISE RESISTANT

Designed with the largest and best performing sound pads, the Lavello sink features pads on all surfaces, so sound doesn't travel through the house.

NO IMPERFECTIONS

World leading manufacturing process ensures a perfectly level product, which prevents a build up of grime and bacteria underneath the surface.

SUPERIOR MATERIAL

Constructed beyond industry standards, the superior thickness and performance of the steel ensures the product isn't compromised with regular use.

COMPLEMENTARY
COLOURS

The range of Lavello sinks pairs well with Meir tapware and pop-up wastes. Offering an overall complementary colour pairing with slight variations to break uniformity and give added character to your design.

SINKS

Superior craftsmanship and design, cutting-edge PVD, and sound absorbing technology sets Lavello sinks apart. Accentuate your kitchen with unparalleled quality and design, available in Gunmetal Black, Brushed Bronze Gold and Brushed Nickel.

All kitchen sinks includes matching strainers.
